

## Link Style Rain Chains

Item #: 3134  
Copper Infinity Link

Top Width: 1-1/8"  
Length: 3-5/8"

**1/8" Thickness**  
Includes RCR-1 Installation  
Kit

The Infinity Link is a new, exclusive rain chain design. Its graceful curves will enhance any home. Comes in unfinished, pure copper. Medium waterflow tolerance.

Item #: 3130-2  
Copper-Double Loop

**Ring Diameter**  
**2"**

Includes RCR-1 Installation  
Kit

2" version of "Double Loops" in pure, thick copper. Breathtaking! These function far better than the 3" versions. Our version of this popular design adds an additional link between the loops. The unfinished copper will age beautifully over time.

# Cup Style Rain Chains

Item #: 3104  
XL Scallop Cups

Cup Top Width: 4-1/4"  
Cup Bottom Opening: 1-1/2"  
Length: 5-1/2"

Includes RCR-1 Installation  
Kit

This is the **LARGEST** cup style rain chain on the market – each cup is over 4 inches across by 5-1/2 inches in length! This rain chain will handle heavy waterflow conditions. The pure unfinished copper will age to a lovely green patina over time. A functional conversation piece for your home.

Item #: 3124  
Copper Bells

Cup width at top: 4"  
Cup opening at bottom: 2-3/4"  
Cup length: 1-1/4"

Includes RCR-1 Installation  
Kit

These exclusively designed, pure copper bell cups are breathtaking! They feature a folded lip at the top (for stiffness) and hand hammered accents. With a 1" opening in the bottom of each cup, they will handle all waterflow conditions.

# Cup Style Rain Chains

Item #: 3121  
XL Square Cups

Cup Top Width: 3-1/4"  
Cup Length: 2-3/4"

Includes RCR-1 Installation  
Kit

Larger, more massive version of our Square Cups model. The XL Square Cups are also pre-aged and have a reddish streaking, a beautiful effect. Individually crafted by hand, each side is welded by hand to the next – this is not a cheap, stamped out product! Not a patina coating, the torch itself causes this same pre-aged effect as on our Star Flower Chains. Perfect for Southwest/Spanish style décor. Comes with a copper v-hook for easy installation.

Item #: 7227  
Copper Flare Cups

Cup top width: 3-1/4"  
Cup bottom opening: 1"  
Cup length: 3-3/8"

Includes RCR-1 Installation  
Kit

Recently improved. This simple design in pure, unfinished copper. The bottom hole is larger and the copper is thicker.

## Cup Style Rain Chains

Item #: 3103-A  
Fluted Cups

Cup top Width: 2-1/4"  
Cup Length: 2-3/8"

Includes RCR-1 Installation  
Kit

Fluted cups in solid copper. A smaller version of the XL Scallop. Will age to a beautiful copper patina over time (depending on exposure to moisture).

Item #: 3122-AC  
Arts and Crafts Square  
Cups-Aged Copper

Cup top width: 3-1/2"  
Cup bottom opening: 1-1/2"  
Cup length: 4-1/8"

Includes RCR-1 Installation  
Kit

A new, exclusive addition to our aged square cups designs. This longer cup adds a distinctive Arts and Crafts motif (six-square cutout with a center "stem"). Made of pure copper, with a folded lip along the top for stiffness, each cup is welded together by hand. The heat of the torch adds the unique coloration (aging effect): this is not a chemical coating or paint. This chain looks a hundred years old right out of the box! Will easily handle heavy rain.

# Cup Style Rain Chains

Item #: 5225  
Lily Flower

Cup top Width: 2-1/4"  
Cup length: 2-1/4"

Includes RCR-1 Installation  
Kit

An elegant lily flower shape in pure, thick copper. Each cup has three holes in the bottom for good water drainage. Thick copper links are joined directly to the flower cups to give this chain a unique, substantial design. This chain in particular makes a beautiful tinkling sound in a light rain.

Item #: 3147  
Star Flower Aged Copper

Cup top width: 3-1/2"  
Cup length: 2-7/8"

Includes RCR-1 Installation  
Kit

Our new Star Flower design is multi-sided! Individually crafted by hand, each side is welded to the next – this is not a cheap, stamped out product! Not a patina, the torch itself causes this same pre-aging effect as on our square cup chains.

# Cup Style Rain Chains

Item #: 2940  
Hummingbird Copper

Cup top width: 3-1/4"  
Cup bottom opening: 1-3/4"  
Cup length: 4-1/2"

Includes RCR-1 Installation  
Kit

Pure copper cups feature tooled flowers and stems in the sides. Two pairs of hummingbirds hover around the rim, sipping nectar from a flower. Easily assembled in minutes with no tools.

Item #: S-103  
Koi Fish

Cup top width: 4"  
Cup bottom opening: 1"  
Cup length: 7"

Includes RCR-1 Installation  
Kit

A pure copper cup fashioned into a classic Koi fish, an expression of Japanese tradition. This rain chain comes pre-assembled. Like all of our chains, comes with a V-hook for easy installation.
